FLORA VISION® DRY EYES

PRESENTATION

10 ml eye spray - STERILE

COMPOSITION

Sodium Hyaluronate 0,3%, P-Plus™, Aloe Vera, Potassium Chloride, Calcium Chloride, Magnesium Chloride, Sodium Chloride, SCO® in an isotonic buffered solution.

SCO® (Stabilized Complex Oxychloro). Non toxic biodegradable preservative.

▶ **Instructions on OPEN EYES**

Bring the nebulizer to about 10 cm from the eye, in a lateral position to the side of your face. It is advisable to make 2 sprays per application. Use 3 or 4 times per day.

▶ **Instructions on CLOSED EYES**

Bring the nebulizer to about 10 cm from the eye. Spray 3 to 4 times onto closed eyelid and blink immediately after application. Use 3 or 4 times per day.
