

RESEARCH & INNOVATION ARE OUR DRIVING FORCE !

EDITO

It has been a very busy last quarter: NOVAX®PHARMA has increased its advocacy efforts, working on MDR approvals, made a few hires to reinforce the team, and also has been participating to different EU conferences.

As we approach the end of the year, thanks to our growing network of professionals, distributors and our dedicated employees going above and beyond to make NOVAX®PHARMA a stronger player, we are confident that 2024 will be a great year.

Also, as we care about vision, we care about your needs therefore new products projects will see the light in 2024.

Finally, we cannot help but to thank you for your continuous support and your trust in NOVAX®PHARMA's quality products.

Brigitte Dias Ferreira, General Manager

LUXE PACK MONACO

Last October, LUXE PACK MONACO was held in Monaco. NOVAX®PHARMA met with premium packaging manufacturers introducing their most creative packaging innovations. We were able to connect with new providers for our R&D 2024 projects. More to follow!

CPHI - BARCELONA

The largest pharma conference took place last October, and NOVAX® was present. Our General Manager and Sales Director attended the conference where companies showcased their latest technologies, and innovations. NOVAX® took the opportunity to meet with our current distributors, suppliers and make new connections. You came from around the world, and we were so excited to have the opportunity to meet, exchange with you in person and consolidate our partnerships.

The event was a great success with 2 600 exhibitors and around 40 000 people attended.

Next year, the event will be in Milan, and NOVAX® will participate again.

For more info about our days at CPHI: follow us on social medias such as LinkedIn.

ACTIVITIES - NEWS

IMDRF 2023 - BERLIN

Brigitte Dias Ferreira was attending the 24th Session of the IMDRF, which took place in Berlin on 25-26 September.

Program was : Regulatory updates from IMDRF Management Committee and Official Observers, EU Medical Devices Regulation – extension of the transition period explained.

GETTING TO KNOW OUR TEAM

Portrait of the month :

Laurence Vernet, our Senior Specialist Packaging and Marketing

In 2020, Miss Laurence Vernet joined NOVAX®. Laurence is originally from Lyon, France. She has lived in different cities in France, such as Lyon, and now in Menton.

Laurence is our Senior Specialist, Packaging and Marketing.

She is part of the NOVAX® Regulatory Department and works closely with our Sales Department. Her role is to manage our distributors' packaging projects, including the handling of texts translations, packaging design, and monitoring the printing of packaging.

Before, joining NOVAX®, Laurence worked for various local and international companies (such as Lancaster Monaco - Coty). From luxury products to consumables, her great knowledge, expertise and connections have helped NOVAX® to shape its packaging department according to the industry requirements and standards.

She has a knowledge of design and graphic software's. She is really creative. She is a top contributor in terms of NOVAX's marketing campaign projects, e.g. re-vamping of NOVAX® brochures, website, commercial tools, and goodies.

In her free time, Laurence enjoys traveling, hiking in the mountains, skiing, and going out with friends.

ANNOUNCEMENTS

Regulatory and Quality Department - NOVAX®PHARMA is growing

Back in October, a new addition has joined NOVAX®.

We are so pleased to welcome Ms. Sahar Al-Qaraghuli, our newly appointed Regulatory Affairs & Quality Manager, the new head of the Regulatory Affairs and Quality Department (Sahar replaces Ms. Erica Tartaglione).

Sahar is a biology scientist who undertook a PhD in Epidermal Cancer, an MSc in biotechnology and genetic engineering, and obtained an BSc in Biology and Microbiology. Having originally taught at the Universities in Baghdad, Sophia Antipolis and Namur, Sahar has had experience as a senior researcher, and lecturer. She is also an active member of MEDTECH and her strong expertise in the pharma business (MDR, IVDR, GMP, etc.) has allowed her to work in advocacy related to the pharma and medical device business. Sahar has led various positions as the regulatory head for many international pharma companies before NOVAX®.

Again, we are so pleased to have Sahar with us. Please join us in welcoming her into NOVAX®.

A special kudos and heartfelt thank you to Virginia Caneva, our Regulatory & Quality Assistant, and Laurence Vernet who have stepped up during this transition time.

Accounting Department – A new e-mail

Last summer, Aude Leroy left NOVAX®, and therefore an important change related to the accounting department at NOVAX®. Since August, any accounting / financial inquiries should be addressed to accounting@novaxpharma.com. Thank you for updating NOVAX's contact information.

SUPPLIERS' ANNUAL AUDITS

Back in October 2023, the NOVAX® Regulatory Team and our General Manager visited two of our strategic suppliers in Italy.

From a regulatory point of view, we are delighted to confirm that these strategic suppliers have successfully passed their 2023 annual audit.

Meanwhile, our General Manager discussed with the suppliers the efforts relating to the MDR 2017/745 implementation and 2024-25 commercial opportunities relating to the expansion of NOVAX's business around the world.
